<sup>1</sup> The Selected References section of the WOC Allies project is divided into five sub-sections: 1. Research specific to women STEM faculty by race/ethnicity; 2. Literature on WOC; 3. Race/diversity resources; 4. Research related to issues concerning gender; and 5. Websites listing diversity resources. Books, articles, and links listed in this this section can also be found in the PowerPoint entitled, "Forging Faculty Alliances in Academia: White Women/Men and Women of Color in dialogue" by Dr. Christine Grant and Dr. David Leonard, which is also on this website.
